Subject: Request for Classification and Recognition of Service Export under GIRIRAJ – Global Initiative for Restitution, Investment Returns, and Allied Justice

Respected Sir/Madam,

We, M/s **IMPRESSIVE ARTS & INTERIORS**, a sole proprietorship firm having **IEC Number: 1399009591**, and **GST Registration No.: 08ACYPC6040J2Z9**, with principal place of business at **19, Alkapuri, Behind Lakend Hotel, Udaipur, Rajasthan – 313001**, respectfully submit this representation seeking classification and recognition of a new export service category initiated under our brand.

◆ **Initiative Overview:**

We have recently launched a globally relevant, value-added legal aid and buyer protection service titled:

GIRIRAJ – Global Initiative for Restitution, Investment Returns, and Allied Justice

This initiative is aimed at providing **legal documentation support, trade restitution guidance, and ethical recovery facilitation** to our international buyers and trade partners who have suffered **losses, disruptions, or unethical practices** in their cross-border transactions with Indian exporters.

All services are delivered to **foreign-based entities**, and payments are received in **freely convertible foreign currency**, in compliance with **FEMA** and **RBI** guidelines.

◆ **Requested Classification under DGFT & FTP:**

We request the recognition and classification of our GIRIRAJ services under the **Foreign Trade Policy (FTP)** framework as:

✔ **Service Export Category:**

“Export of Trade Advisory, Legal Documentation & Buyer Restitution Support Services”

✔ **Suggested HSN/SAC Classification:**

- **998399** – Other professional, technical and business services
- **998312** – Legal documentation and certification services

◆ **Policy Alignment:**

This service initiative is **fully inspired by and supportive of the Government of India’s efforts** in:

- Export promotion and buyer facilitation under **DGFT's Ease of Doing Business** initiatives
- Strengthening India’s global reputation for **ethical trade and service delivery**
- Enabling smooth foreign remittance reporting and FEMA compliance

We respectfully request that GIRIRAJ be allowed to be recorded as a service export under our IEC profile and included in the official **DGFT records and FTP policy scope** for export service facilitation.

We are committed to full compliance with all FEMA, RBI, DGFT, and GST regulations, and will maintain appropriate documentation and foreign inward remittance records for audit and inspection.

With sincere regards,

Authorized Signatory
